Let's talk money...

Regional Treasurer offers some tips!

The General Constitution tells us that there is a need for every fraternity to keep accurate financial records and that there be proper oversight of the person responsible for custody of the cash and the accounting records. And it's the council's responsibility to make sure the treasurer is maintaining adequate records and discharging the duties of the office in a Franciscan manner. At a minimum, the Constitution says, the council should provide for an audit of the treasurer's records at least just prior to the end of his or her term of office. In addition, a written report of that audit must be given to the council of the higher fraternity.

To make record keeping easier, payments should never be made from undeposited cash receipts. If cash is needed for an immediate expenditure, it should come from a petty cash fund authorized by the council and a payment voucher should be completed as a record. That petty cash fund can be replenished periodically by cashing a check for the appropriate amount.

It's important that the treasurer makes regular financial reports to the membership and council showing details of all income, expenses and cash balances, investments and any money held in trust. The report should be provided at least annually, if not more frequently. And an annual report must also be submitted to the next higher council. The treasurer may choose to publish the annual report in the fraternity's bulletin or newsletter and a copy should also be submitted to the council.

Items that should be a part of that annual report include the details of the fraternity membership (how many members, etc.), a description of activities, goals and accomplishments, the treasurer's annual financial report and the budget for the upcoming year. This annual report, along with the yearly per capita (Our Fair Share) should be submitted no later than July of each year.

If there are any questions regarding the responsibilities of the treasurer, a copy of the "Treasurer's Guidelines" from the National Fraternity of the Secular Franciscan Order in the USA is available from the Office of the Treasurer, 8933 Trailwood Court, Mentor, Ohio 44060-2131.

Oh, Lord, I thank you for the beauty of spring, the vibrant new life emerging from the earth, just as You did on that Easter morning so long ago. You remind us of your Resurrection as we watch the new life of green leaves erupting from the barren trees, the flowers bursting forth from carefully planted seeds, and the grass pushing its way through the thawing earth. Lord, I thank you for the robins and bluebirds, goldfinches and wrens, missing for so many months and now anxious to share their joy in song. I thank you, Lord, for the gift of the sun as it bursts through my windows and warms my body...just as You warm my soul! Thank you, Lord, for the gift of life, Yours, mine and all of creation. T

One Voice for Advocacy

More than 130 members of the Franciscan Family, representatives from 69 provinces, congregations, Secular Franciscan regions and ecumenical partners from throughout the United States, met for three days in March to discuss and discern ways to bring a more visible and effective Franciscan presence to the effort of repairing relationships to establish justice in the world. At this meeting, held in Baltimore, Franciscan friars, sisters, seculars and ecumenicals called for themselves and the larger U.S. Franciscan Family to “speak with one Franciscan Voice in order to effect the transformation of national social policy.” The gathering represented the largest U.S. Franciscan group ever assembled in the U.S. solely to discuss ways to be better advocates with persons who are poor, marginalized or victims of injustice.

Following an opening session on prayer, the participants interacted with three speakers to explore more deeply a Franciscan approach to advocacy: Fr. Michael Perry, OFM, councilor for the Sacred Heart OFM Province, Sr. Meg Guider, OSF, professor of Missiology at Weston Jesuit School of Theology, and Marie Dennis, SFO, director for the Maryknoll Office for Global Concerns. Each of the three presenters was paired with a “Franciscan Voice” who shared personal stories and realities. Br. Rodrigo Peret, OFM of Brazil, Mrs. Mary Mwangi, SFO of Kenya, and Sr. Sheila Kinsey, OSF from Wheaton, IL grounded the three presentations with the experiences of those ministering with persons who are poor or marginalized and were able to help make clear the connections between our experiences in the world and our rich Franciscan Charism.

The group collectively wrote a vision statement (see below) calling the Family to work together for social transformation and committed themselves to further dialogue and establishing a broad-based Franciscan Family Commission for Justice, Peace and Integrity of Creation, as well as a Center for Action based in Washington, DC. so that the Franciscan Family in the U.S. will be able to effectively “walk with our brothers and sisters who are

poor and marginalized... to advocate for peace and to reaffirm the dignity of all creation.”

Vision Statement of the Franciscan Family

Adopted March 9, 2007

We Franciscan brothers and sisters, Religious and Secular, from throughout the United States, gathered together in Baltimore, MD to discern the possibility of a unified Franciscan Voice for justice. With great concern for dehumanizing issues in our society, we recognized trends contrary to our calling as followers of Christ. We see that we have the power to effectively advocate for the redistribution of resources, the responsible care for creation, and the healing of relationships within the Franciscan Family, the Church and society. To these ends, we commit ourselves and call all members of the Family to speak with one Franciscan Voice to effect the transformation of national social policy. By walking with our brothers and sisters who are poor and marginalized, we intend to advocate for peace and to reaffirm the dignity of all creation. *τ*

“Praise be You, my Lord, through our Sister Bodily Death, from whom no living man can escape.”

Please remember in your prayers those in our Franciscan family who have died: **Ella Mae Cunningham, SFO**, a member of Mt. St. Sepulchre Fraternity in DC; and **Frances Boyle, SFO**, a member of St. Thomas More Fraternity in Harrisburg. *T*

FOOTPRINTS MINISTRY

Franciscan Youth and Young Adults (FYA) are working on a number of projects, including one which may be of interest to those in our area.

The project named “Footprints Ministry” involved collecting tennis shoes and socks to be distributed to needy youth in Florida. The organization takes donations of any size, NEW tennis shoes and NO-SHOW white athletic socks to match the shoe size. In order to have a variety that will fit any of the youth and teenagers, they're looking for shoes and matching socks from Size 4 Toddler through Size 12 Men's or Size 10 Women's.

The FYA will be collecting the shoes and socks during the Quinquennial in Pittsburgh, so if your fraternity is willing to provide a few pairs of shoes and matching socks, pass them on to someone who is traveling to Pittsburgh on July 3rd. *T*

ASSISI DURING LENT

Four members of the **St. Francis Fraternity** in Triangle, Virginia, traveled to Rome and Assisi in March as part of St. Francis Parish 50th Anniversary Pilgrimage. While Rome and the Papal Audience were "once in a lifetime experiences," one of the highlights for SFOs **Judi Ryerse, Claire Hoagland, Pat Steinberg and MaryLou Coffman**, was the opportunity to participate in a Lenten service along with Assisi's citizens, the Bishop, and the Friars and Sisters. As they do each Friday night during Lent, the Bishop led the townspeople along "the way of the cross," starting at the foot of the town near the Basilica of St. Francis and proceeding up the streets of Assisi to the Cathedral of St. Clare. At each of the temporary wooden crosses adorning the streets, the Bishop stopped for prayers, readings and singing. At the end of the "way", Claire said, the Bishop gave a sermon and a blessing to everyone who had accompanied him.

"It was a wonderful experience," said Claire, "and I am so glad that I followed the townspeople up that hill that night in the cold."

The pilgrims did have one disappointment...more than two feet of snow prevented them from visiting LaVerna, so they decided to save that adventure for the next trip. †

LOVE PRAYER

By Pauline Tebo, SFO © 9/25/06

I'll speak to the One I love today
With my heart full of peace.
I'll tell Him of the warmth I feel
Coming to His table to feast.

But my Love is not a mortal man
And I am filled with awe.
I fear He might reject me
For He sees me with all my flaws.

I am far from a perfect being
His Will I sometimes fight.
I often choose the earthly life
And ignore His Truth and His Light.

There are times His Word overwhelms me
The tears I can't conceal.
Those times I'm closest to Jesus
Then my love is perfect and real. †

The Editor's Thoughts....

Ah, spring is here! Doesn't it feel wonderful? The beauty of God's creation is just bursting forth each day in vibrant color!

Up To Now is bursting forth as well...this issue contains 10 pages of information that I hope you will enjoy browsing through and sharing with all the members of your fraternity. For your convenience, I have included a Regional Retreat Registration form on the back page of this newsletter. In addition, I have repeated the information regarding the "Novena for Darfur" that we will be praying in July and copied the prayer itself in a size that can be easily cut to fit conveniently into your prayer books.

I've included a good bit of news from the fraternities around the region. Many of you are now sending me your newsletters and I thank you for sharing with me. My plea this issue is for photographs...I would love to include some, but very seldom receive any. So think about taking a photograph during a profession, a retreat or a social event and send it to me for the next issue. Be sure to identify those in the photo and include a little information about the event. I could also use more poems, reflections and prayers, so put your God-given talents to work and email me some items for the August issue of Up To Now.

Until then, enjoy this lovely season of the year... get outside and enjoy the beauty of God's creation, the sun, the clouds, the fresh air, the flowers and trees. May God hold each of you close to His heart and give you His peace.

*Peace and all good,
Sharon*

Reflections from the Shore

Global warming has become the center of our news. We are witnessing the devastating effects of greenhouse gases – polar ice melts, extreme weather conditions, extinction of plants and animals, etc. We are seeing changes here at the shore with beach erosion, frequency and severity of our Nor'easters (eventually our property which is two miles inland will be beachfront...!!!).

What are our responsibilities to prevent and change the slow destruction of Mother Earth? What are we leaving our children, grandchildren and future generations? Does it matter?

Global warming and the associated climate changes we are experiencing are being attributed to the increases of "greenhouse" gas emissions (e.g., carbon dioxide, methane and nitrous oxides). U.S. carbon dioxide emissions are more than 20 tons per person annually (six times the global average). About half of this amount is attributed to direct emissions from household operations and our personal transportation. The remainder is from indirect emissions (e.g., greenhouse gas emissions from the manufacture, packaging and delivery of the products we purchase).

As stewards of God's creation we are called to take responsibility for the care of the environment. Specifically, as Secular Franciscans we are called to action by Article 18.4 of the General Constitutions of the SFO: "Following the example of Francis, patron of ecologists, they should actively put forward initiatives that care for creation and should work with others in efforts that both put a stop to polluting and degrading nature and also establishes circumstances of living and environment which would not be a threat to the human person."

What can we do to reduce greenhouse gases? There are several actions to consider including the following:

- ✓ Reduction of direct emissions of greenhouse gases
- ✓ Reduction of our indirect emission of greenhouse emissions
- ✓ Advocacy
- ✓ Prayer

In future issues we will offer some tips and suggestions to accomplish these actions including a challenge to reduce our greenhouse emissions by ten percent.

Community Outreach Project

At a recent Minister's gathering we heard about a number of interesting outreach projects that are underway in various fraternities. The projects ran the gamut, from saving Campbell Soup labels for inner city schools, to a website, www.anysoldier.com, which lists items that can be collected and shipped to our troops, to monthly team visitations of shut-in fraternity brothers and sisters, to a fraternity that records their monthly meetings so their inactive members can hear what's happening and still feel a part of the fraternity.

One project, however, touched the hearts of many at this meeting. **St. Clare Emerging Fraternity** in Bethany Beach, Delaware, is providing financial assistance to The Clermont Center for Homeless Adolescents in Jacmel, Haiti, a facility established about three years ago to help provide the basic necessities of food, shelter, clothing, medical care, guidance and supervision to young boys formerly living on the streets of Haiti. By offering these provisions, the chances of success for at-risk youth in Haiti is being significantly enhanced. A child can be supported for as little as \$50 a month. If you are interested in pursuing more information regarding this outreach project, you can visit the center's website at www.jaclermonthome.org. T

Prayer for Virginia Tech

Father, right now we acknowledge You and we acknowledge Your presence and Your sovereignty. Father, we lift up Virginia Tech and the people affected by the evil that has taken place on the campus. We pray that Your Spirit be with them. We pray that Your loving arms be wrapped around them and comfort them in this tragic time. We pray for families, neighbors and friends. We pray for staff, professors and administrators. God, we pray for people...we pray for humanity...we pray that this event will not cause people to turn from You but that it will cause a nation to run to You like they have never run before. We pray for increased faith...we pray for spiritual growth...we pray for Christian fellowship and salvation of souls. We pray that your hand will move mightily over Blacksburg, Virginia, and over this nation. Touch souls right now and comfort broken hearts. Forgive us our sins, Father. In Your Son Jesus Christ's name, we pray. Amen.

NAFRA PEACE AWARD
NOMINATIONS
NOW BEING ACCEPTED

“We are an order that needs peace within our own family as we approach the Quinquennial this summer...”

*Tom Bello, sfo
National Vice Minister*

Our SFO Rule (19) instructs us: “Mindful that they are bearers of peace which must be built up unceasingly, they should seek out ways of unity and fraternal harmony through dialogue, trusting in the presence of the divine seed in everyone and in the transforming power of love and pardon.”

Our National Vice Minister, Tom Bello, has been given permission to revive the NAFRA Peace Award initiated in 1950 to recognize those who have made significant efforts in the generally defined area of PEACE. While guidelines may be revised at the National Gathering in October, presently they provide that any nominee for this award who resides in the United States or U.S. Territories have an advantage over those from other parts of the world. Nominees should not be political and not carry an agenda, they should be of known good moral character and they need not be Franciscan or Catholic.

Previous recipients of the Peace Award include Former Secretary of State, John Foster Dulles; former Archbishop of Boston, Most Rev. Richard J. Cushing; former Director of the FBI, J. Edgar Hoover; Rev. Martin L. King; Pope Paul VI; Robert F. Kennedy; Mother Teresa of Calcutta; Anwar Sadat and Pope John Paul II. Since 2000, the Peace Award has gone to a member of the Secular Franciscan Order.

In order to proceed, first of all, the Peace Award Committee (National Vice-Minister Tom Bello; National Peace and Justice Chair, Carolyn Colburn; LaVerna Regional Minister and former Chair of the Peace Award Committee, Ken Beattie; and National Public Relations Team Co-Chair Mary Stronach) would like each fraternity in the United States, locally, regionally and nationally, to pray and work with renewed spirit from our Risen Lord Jesus Christ for peace. Secondly, they are asking each fraternity in the United States, locally and regionally, to consider awarding a Peace Award to a worthy recipient of its own choosing. Third, they are asking each fraternity in the United States, locally and regionally, to consider making a nomination to the National Peace Award Committee for a recipient to receive the 2007 National SFO Peace Award at the NAFRA Gathering in October 2007. While they prefer that fraternities make these nominations, those made by individual Secular Franciscans will not be ignored. Nominations may be submitted in hard copy or e-mail to any of the members of the Committee. A nomination needs to be of three parts: one, the name of the possible recipient; two, reasons why this person should be considered; three, the name of the person or group making the nomination.

Novena for Darfur

A Message from our Regional Minister

Dear Brothers and Sisters,

We are once again approaching the time for praying the "perpetual" Novena for Darfur. St. Margaret of Cortona has been assigned the 2nd week of the months of January & July. As you read her timetable, all the regions of NAFRA are involved.

This is a very powerful way for us to do something. There are many possible ways to implement this within individual fraternities, and that will be up to each fraternity, so please plan to discuss this at your next few council meetings, as July will soon be here.

...Carolyn Protin

As agreed at the NAFRA meeting last fall, the SFO in the United States would like to continue the "perpetual" novena for at least one year on behalf of the people of Darfur. Every day, members of the SFO will be praying the novena prayer. For this to happen, 5 Regional fraternities be assigned to cover each month. To make sure we cover the entire month, there will be four to five "waves" of the novena, each starting on Sunday. People are assigned to these waves by Region again, as noted below. For example, the first Sunday of June, members of St. Elizabeth of Hungary Region will begin praying the novena; the second Sunday of the month Lady Poverty will begin the novena. In this way the people of Darfur will be held in prayer by the SFO for the entire year.

In the event there are only 4 Sundays in the month, the fifth Region can pray week 1, or choose another week. Individuals may start and end their novena on other days if necessary, or do a different week. If you want to continue to pray before or after your week/month you can certainly do that! You are also encouraged to share the novena with people in your parish, youth groups, or other organizations to which you belong.

A novena allows us to hold a particular concern before God in a special way. The name "novena" comes from the Latin for "nine". Traditionally we pray a novena every day for nine days, and the prayer is usually a bit longer than a brief intercession. This allows us to give more of ourselves to our prayer for the concern we are bringing before God.

Novena Prayer for Darfur

Merciful Father, Prince of Peace, Spirit of Wisdom and Compassion, please look upon our brothers and sisters in Darfur. We humbly pray:

- For those who have been subjected to violence: women, children, young and old men, we ask for healing, consolation, and relief of further suffering.
 - o *Our Father, Hail Mary, Glory Be...*
- For those who have done violence, we ask for healing, forgiveness, and the grace of conversion.
 - o *Our Father, Hail Mary, Glory Be...*
- For those in authority throughout the world, we ask wisdom, creativity, compassion and courage in addressing this situation.
 - o *Our Father, Hail Mary, Glory Be...*

Lord Jesus, Your Sacred Heart burns for love of all your people. Please place in our hearts that same love and inspire us to have the courage, wisdom and ingenuity to take what measures we can personally to relieve the suffering in Darfur. We pray this in the Name of Jesus, our Lord, through the intercession of the sorrowful and Immaculate Heart of Mary.

Memorare: Remember, O Most Gracious Virgin Mary, that never was it known, that anyone who fled to thy protection, implored thy help or sought thy intercession was left unaided. Inspired with this confidence, I fly unto thee, oh Virgin of Virgins, my mother. To thee do I come, before thee I stand, sinful and sorrowful. Oh mother of the Word Incarnate, despise not my petitions, but in thy mercy, hear and answer me. Amen.
